This coming summer about 350 class sections will be offered. Marketing will be geared to the high school students so they can get a jump-
start on their college education. A presentation will be on the December Board Agenda on the new Student Success Services and Programs from the Chancellor’s Offices, replacing matriculation. There will also be two new job descriptions submitted to support this program.

The Learning Resource Center Grand Opening is scheduled for April 15, 2014. The CEO thanked the board members for their questions and will answer them as soon as possible.

3. Student Trustee Report
Miguel Quintero thanked the CEO for his patience and for the Round Table discussions in the community and on campus. He stated that he is looking forward to the trustee conference in November and will provide a report upon his return. Mr. Quintero relayed the concern of students about the course preference survey.

Dr. Curry said that he is open to conducting another course preference survey on-line early next year, because Administration wants to know the preference of students.

The Student Trustee reported that students feel the length of time the student representative for the Special Trustee’s Advisory Committee is too long for a student.

Dr. Curry reported that this concern is on the discussion agenda for the next Advisory Committee meeting.
