VIII. Discussion/Information Items:

1. Special Trustee’s Advisory Committee Goals -

Dr. Curry stated that the Advisory Committee has done an outstanding job on addressing their
stated goals during the last year. At the next meeting we will have an update on the Accreditation Time for the El Camino College Compton Center, and an update on the 5-Year Budget Assumptions.

However, Goal #1 (Participating in community activities and events and reporting their observations back to the Committee) has not been fully met. Copies of these events and response from the community have not been brought back and shared with the Committee.

Goal #2 (Participating in the operation of the District at Special Trustee Advisory Committee meetings) is being met and administration is listening to the Committee’s advice.

Goal #3 (Fiscal Responsibility). The Committee has received the 2011-2012 Annual Financial Audit; the 2012-2013 Budget and the 5-Year Budget Assumptions. However, at the next meeting the revised 5-Year Budget Assumptions will be presented. Information on the Line-of-Credit and the Bond Expenditures have also been presented to the Committee.

Goal #4 (Support the Partnership with El Camino College District) The Partnership Agreement and the Facilities Memorandum of Understanding has been presented, discussed with the Committee, and received feedback. The only document that has not been reviewed is the El Camino College Compton Center Accreditation Update, which includes the Accreditation Timeline and will be presented at the December 16, 2013 Advisory Committee meeting.

Goal #5 (Participate in required Special Trustee’s Advisory Committee Training) The Ethics Training and Accreditation Basics Workshop were available on-line, and the Brown Act Training was provided at the June 2013 meeting. Ms. Macon stated that she had not been able to access the Ethics Training on-line and Dr. Curry said that he would send the link to her.

2. Special Trustee’s Advisory Committee Appointments –
All of the member’s appointments (except Olivia Verrett) will expire in January 2014. The CEO is asking for anyone wishing to be re-appointed to submit a Letter of Interest to him to declare their interest in being re-appointed to the Advisory Committee.

IX. Advisement Agenda

X. Comments:

1. CEO Update
   Dr. Curry announced that he is continuing with the CEO Roundtable discussion in our service area cities. The next Board of Trustees’ Meeting on December 17, 2013 will be held in the Student Lounge and will include the swearing-in of the elected Board of Trustees. Also on December 17th the Ribbon-Cutting Ceremony for the new Central Plant and the opening of the campus main road will be held. We have gone out to bid for the Allied Health Building project, the Nursing and Child Development Center projects.

2. Advisory Committee
   Ms. Macon extended kudos to the District for the renovations and the efforts put forth to re-make the college and wants to be sure that El Camino does not take the credit. She is proud to see what the Bond money has funded.

   Ms. Hollis also expressed her appreciation for the tremendous amount of work that Dr. Curry has done, but feels he has not received the proper recognition. She also expressed her opinion that the elected board members should be allowed more participation.

   Ms. Verrett expressed her appreciation to the staff and the CEO. She stated that she would be willing to distribute information and have the CEO attend City Council meeting.

   Ms. Hendrickson agrees that the CEO should visit the City Council meetings and disseminate information on the District’s progress. Also suggested that the Committee members give accolades to Dr. Curry in the community for the great work he has done.

   Dr. Johnson agrees with the other Committee member regarding presentations at City Council meetings, progress on campus, and credit for this being given to CCC District, not El Camino. She reported on the successful forum with the Board Candidates held the previous week.

   The Special Trustee stated that he appreciates the Committee’s candor, and is pleased with their reporting their responses to the Community Survey Results. Stated that President Fallo admires Dr. Curry for his exemplary leadership, and has no question about his respect for the CEO, and his interest in the District being accredited.
