Student Success and Support Program services bring the student and the College into agreement regarding the student's educational goal through the College's established programs, policies, and requirements. The agreement is implemented through the educational planning process.

The Student Success and Support Program (SSSP) is a process that enhances student access to the California Community Colleges and promotes and sustains the efforts of students to be successful in their educational endeavors. The goals are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student-direct components of the student success and support program process: admissions, orientation, assessment and testing, counseling, and student follow-up.

Each student entering Compton College, barring any exemptions, will do all of the following:

1. Complete orientation
2. Participate in assessment to determine appropriate course placement
3. Identify an education and career goal
4. Identify a course of study
5. Participate in the development of an initial one to two semester student educational plan with a counselor
6. Participate in the development of a comprehensive educational plan with a counselor by the end of the third term, but no later than the completion of 15 degree-applicable units
7. Attend class and complete assigned coursework
8. Complete courses and maintain progress toward an educational goal

Student Success and Support Program services include, but are not limited to, all of the following:

1. Orientation on a timely basis covering information concerning campus procedures, academic expectations, financial assistance, and any other appropriate matters.
2. Assessment and counseling either prior to or after enrollment, which shall include, but is not limited to, all of the following:
  - a. Administration of assessment instruments to determine student competency in computational and language skills.
  - b. Assistance to students in the identification of aptitudes, interests and educational objectives, including, but not limited to, associate of arts degrees, transfer for baccalaureate degrees, and vocational certificates and licenses, and career readiness.
  - c. Evaluation of student study and learning skills.

- d. Referral to specialized support services as needed, including, but not limited to, federal, state, and local financial assistance, health services, mental health services, academic support programs, programs that teach English as a second language, tutorial services, and disabled student services
- e. Educational planning, which includes but is not limited to, academic, career, and personal counseling.
- f. Follow-up services and required counseling or advisement for students who are enrolled in remedial courses who have not declared an educational objective as required, or who are on academic probation.

The College shall not use any assessment instrument except those specifically authorized by the Board of Governors of the California Community Colleges.
