The BOGFW application may be submitted any time prior to the start of the term or during the award year in which the student wants to receive the BOGFW. California Student Aid Commission (CSAC) working in conjunction with the Financial Aid Office. The California priority deadline for state-based financial aid is March 2.

The scholarship application must be submitted prior to the established deadline on an annual basis. A student is considered to be meeting the satisfactory academic progress standards if the following three requirements are met:

Cumulative Grade Point Average (Qualitative Measure)

A student must maintain a 2.0 cumulative grade point average (GPA). This GPA includes units at Compton College and those from other regionally accredited colleges and universities that have been evaluated by the college's Admissions & Records Office and applied to the student's academic record. GPA units are those with grades of A, B, C, D, or F.

Cumulative Pace of Unit Completion (Quantitative Measure)

A student must complete at least 67% of the total number of units they attempt (passed hours divided by attempted hours). All courses with grades of A, B, C, D, or F as well as P, W, I, IP, NP, MW, and repeated courses will be counted towards the total attempted units. Units from other regionally accredited colleges and universities that have been evaluated by the college's Admissions & Records Office and applied to the student's record will also be counted.

Maximum Timeframe

A student may not exceed the 150% maximum timeframe allowed for the completion of his or her educational program. All courses, (excluding remedial and English as a Second Language (ESL), repeated courses, and courses taken while pursuing other majors with grades of A, B, C, D, or F, as well as P, W, I, IP, NP, or MW, will be counted as attempted units and applied to the maximum timeframe allowed. Courses from other regionally accredited colleges and universities that have been evaluated by the Compton College Admissions & Records Office and applied to the student's record will also be counted toward the maximum timeframe.

Financial aid recipients who are found to be in overpayment are notified by the Financial Aid Office. Students who receive an overpayment notification are instructed to make payment to the college's Cashier's Office or to the U.S. Department of Education. Students are ineligible to receive additional financial aid until they return any overpayment funds.

The Financial Aid Office works closely with the college's Fiscal Services unit to ensure that accounting protocol is adhered to in compliance with federal, state, and local regulations. Annual audits are conducted by an external entity and annual reports are submitted to federal and state government agencies.

Students should inquire with the college's Financial Aid Office for more information on federal, state, and local financial aid including deadlines.

Loss of Eligibility for BOG Fee Waiver

The notification will clearly state that two consecutive primary terms of probation will lead to a loss of the BOG Fee Waiver until the student is no longer on probation. The notification will also advise students about the available student support services to assist them in maintaining eligibility.

The District shall adopt, prominently display, and disseminate information ensuring that students are advised about the student support services available to assist them in maintaining and reestablishing eligibility BOG Fee waiver eligibility. Dissemination includes, but is not limited to, information provided in the college catalogs and class schedules.
