The Board delegates to the CEO the executive responsibility for administering the policies adopted by the Board and executing all decisions of the Board requiring administrative action.

The CEO may further delegate any powers and duties entrusted to him or her by the Board, but will be specifically responsible to the Board for the execution of such delegated powers and duties. The CEO shall be responsible for district planning, organization, direction, operation, budget, and management.

The CEO is empowered to reasonably interpret board policy. In situations where there is no board policy direction, the CEO shall have the power to act, but such decisions shall be subject to review by the Board. It is the duty of the CEO to inform the Board of such action and to recommend written board policy if one is required.

The CEO is expected to perform the duties contained in the CEO job description and fulfill other responsibilities as may be determined in annual goal-setting or evaluation sessions. The job description revisions, goals and objectives for performance shall be developed by the Board in consultation with the CEO.

The CEO shall ensure that all relevant Federal and State laws and regulations are complied with, that all Board Policies and Administrative Regulations are followed, and that required reports are submitted in timely fashion.

The CEO shall make available any information or give any report requested by the Board as a whole. Individual trustee requests for information shall be met if, in the opinion of the CEO, they are not unduly burdensome or disruptive to District operations. Information provided to any trustee shall be provided to all trustees.

The CEO shall act as the professional advisor to the Board in policy formation and periodically review existing policies to determine if revisions or new policy needs to be recommended to the Board.
