

**COMPTON COMMUNITY COLLEGE DISTRICT
BOARD POLICY**

BP 5200 Student Health Services

ISSUED: December 15, 2015

References:

Education Code §76401

Board Policy 5030

The District recognizes that students' physical and mental health promotes students' achievement of their individual academic objectives. Subject to requirements and limitations established by applicable law, the District will provide fee-supported student physical and mental health services to promote optimal wellness among the District's student body and to facilitate student achievement of academic objective.

Applicable Administrative Regulations:
