**Final Public Hearing on Proposed Compton Community College District
Trustee Area Boundaries Set for May 16**

The Special Trustee for the Compton Community College District (CCCD) will hold the third and final Public Hearing on the proposed District Trustee Areas on Wednesday, May 16 at 6:00 p.m. in the CCCD Boardroom, located in the Administration Building at 1111 E. Artesia Blvd., Compton, CA 90221. The hearing will follow the closed session of the May CCCD Board of Trustees meeting.

The Compton Community College District, along with many other public agencies and school districts in California, is currently in the process of reviewing and modifying its elected trustee area boundaries. Every 10 years, community colleges, city councils and other local agencies must adjust their election boundaries in order to equalize the population and ensure fair elections.

Members of the public are encouraged to attend this hearing, and may also review the redistricting maps on the district website at: district.compton.edu/district_information/district-redistricting.asp. Included on the redistricting Web page are the Compton Community College District current trustee area map and the four proposed Compton Community College District trustee area maps.

After the Public Hearing on May 16, the Compton Community College District Special Trustee will adopt one of the proposed Compton Community College District Trustee area maps.

The Board Agenda is posted 72 hours in advance of the meeting on the District website, www.district.compton.edu. All regular session Board meetings are open to the public.
