

This is a list of students that were probably enrolled at Compton Junior College during the 1941-1942 academic year and may be eligible to receive an honorary degree.

There are probably a number of students who were attending but are not on the list.

If you are able to provide some information that may help us to locate individuals (or their family members) who attended the college during this period please contact:

Professor Michael Odanaka
Compton Community College District
(310) 900-1600 ext.2916
